THE GRAND ASSEMBLAGE OF SPRING

It was very difficult to select a representative sample of photos from the Grand Assemblage. Thousands of photos have been taken over the years. Please check out the photo gallery and newsletter archives at www.oregonwinebrotherhood.org after your induction.

The Friday evening Commander's Reception is informal. Appetizers are served and members bring a bottle of wine to share.

In some years an informative wine "class" is held. These two were at Salishan and The Benson.

Saturday evening's festivities start out with a short wine reception.

The induction program (not pictured so you all will be surprised at the next Assemblage) is followed by dinner and wine plus lots of dancing and socializing.

BARREL TASTING IN AUGUST/SEPTEMBER

Normally the weather is really warm in August to mid-September, but not always. The Barrel Tasting Committee has all bases covered to ensure that everyone has a wonderful time.

At most Barrel Tastings, we (of course) taste wine from the barrel, bid on bottles of wine and other auction items, meet the recipients of OWB scholarships plus enjoy good food, wine and camaraderie.

THE ANNUAL MEETING IN NOVEMBER

All members are invited to the Annual Business Meeting. The agenda includes reports from each officer, a wrap-up of the year, election of officers and, of course, appetizers and wine. In 2020, we had our first (and hopefully only) virtual Annual Meeting via Zoom.

OTHER OWB WINE EVENTS

OWB's Ambassadors of Wine each host a dinner, based on the country that they represent, every few years. The Wine Appreciation Coordinator and other members plan special tastings at local venues. Members of tasting groups host events in their homes and sometimes at restaurants.

2020-0718 YAMHILL VIRTUAL TASTING
Jan 20, 7:00 - 8:00 PM

The collage features a presentation slide with the text "Yamhill Valley" and "Wine in the Willamette". It also includes a scenic view of a vineyard and several computer monitors displaying the event's interface.

F.I.C.B. INTERNATIONAL EVENTS

Every two years, members of F.I.C.B. (OWB is a member) meet somewhere in the world. These photos are from Reims, France, in 2014 and Napa/Sonoma in 2016. Each International Congress is filled with wonderful food, wine and special events. See the newsletter archives for more info.
